

One For All Token – Whitepaper Light

Introduction

One For All Token (OfA) is a community-driven token inspired by the values of heroism, strength, and unity. Our mission: create a movement that protects investors, fights against rugpulls and scams, and rewards those who believe in true decentralization. OfA is not just a meme – it's a symbol of hope in the crypto world.

Vision & Mission

Vision: Become the token of the people, uniting a strong community with transparency and fairness.

Mission: Spread the heroic message of All Might – protecting and empowering holders through trust, utility, and growth.
